Nomad Kayak Club

Canoeing & Kayaking for Everyone

Nomad Kayak Club

@NomadKayakClub

Welcome to Nomad Kayak Club.

Formed in 1973, the club has always been based in South-West Hertfordshire and our current home is located within the grounds of Rickmansworth Aquadrome.

We are a family oriented club that is happy to cater for anyone who is able to safely participate in the sport. Our inclusive membership style means that overall costs are kept low enough that no-one is excluded based on the cost of participation.

We are lucky enough to be located next to four excellent canoeing opportunities: the Grand Union Canal, Bury Lake at the Aquadrome, the River Colne and our canoe polo/sheltered training facility. Built and opened by club members in 1994 the canoe polo pitch has long been envied by other South-East based clubs. From this facility we are able to maintain and develop five canoe polo squads whilst also using the sheltered nature of its location to introduce new participants to paddlesport.

The club also arranges trips suitable for all abilities throughout the year to interesting rivers in the South-East and white water rivers like the Dart and Tryweryn. Club members are updated with full details of all trips and events.

Canoeing and Kayaking are great ways to get and stay fit, learning to coach others is very rewarding and being part of a club with such a rich history helps provide ongoing opportunities for the local area. Come along, make some new friends and enjoy the sport of canoeing.

We look forward to paddling with you soon.
